The owners and team at di Lusso Estate would be delighted to host your wedding ceremony in the gardens or vineyard of the property. We offer the use of two wedding gazebos as well as other beautiful locations on the property.

Our covered pergola area overlooking the lake provides a spectacular start to your reception with canapés being served here while you and your bridal party are having photographs around the vineyard. Set amongst the wine barrels in our winery is a beautiful wedding reception venue, seating one hundred and twenty people with ease – as well as plenty of room for a dance floor.
